

Wolf Pack Hockey 2011 Summer Camps

The main objective for the 2011 summer camp programs is to create an environment that will facilitate both the technical and tactical development of players by offering a variety of on-ice instructional opportunities. We encourage each player to step outside their comfort zone by implementing on-ice drill progressions that are specifically designed to challenge the overall performance of players in a fun and safe environment.

These camps are designed for Division 1-3 & Quadrant players
Summer Camps will commence in July.

On ice sessions include:

1. Power skating – Edge control/Balance
2. Skills – Sticking handling, Shooting, Passing, Body checking/Angling
3. Over speed training
4. Conditioning
